## MAUS-KRIPPNER WINS STREET STOCK FEATURE

Photo by Scott Searcy / Cricket Prints

Tiffany Maus-Krippner #8 holds off the boys and brings home her first WISSOTA Street Stock feature win. Maus-Krippner had a large lead until a late caution but she still held off the pack to the flag.

ALEXANDRIA, MN (June 9th) -  
Scott Searcy

The Street Stock's are the favorite division on many fans and on Saturday night they did not disappoint! Tiffany Maus-Krippner #8 lead a pack of boys around the track like it was a 5th grade playground. At the drop of the green she jumped out to an early lead from the pole position and put some space between her and the pack as Chris Winter #31 and Mark Blom #6x battled for the second spot. A couple laps in Adam Burrows #18B and Andrew Bangsund #70 joined the chase. Maus-Krippner continued to put space between her and the boys as the halfway point came and went. The last thing the #8 crew wanted to see was a yellow and it came at lap ten when Bangsund spun in turns 1-2. Bangsund had skimmed one of the yellow tractor tires marking the inside of the track in turns 3-4 a couple laps prior and he seemed to have his hands full after that. (continued on page 2)

## THE HIGH FLYING HALF MILE! CELEBRATING 47 YEARS OF RACING!

### MAUS-KRIPPNER WINS STREET STOCK FEATURE (CONTINUED FROM PAGE 1)

During the yellow Maus-Krippner's car dropped oil pressure from extreme overheating and she stopped on the front stretch, contemplating pulling in to the pits but then decided her first feature win was more important than her motor and she stayed out.

The caution bunched the pack up for a green-white-checked shoot out. Justin Vogel #10 who had an unusual slow start, had worked his way back up to the third position on the restart and on the final turn, Burrows tried to go underneath Vogel and spun, collecting Bangsund who had already passed four cars that lap and Ryan Satter #67 then T-boned Bangsund. But while all the boys were bumping, banging and spinning out, the lone girl in the pack took the checkered flag.

The Street Stock Heat Race Winners were Justin Vogel and Adam Burrows.

Prior to the Street Stock feature, the Midwest Modifieds put on their own show. Kyle Reents #1 who finished second in his heat, started on the pole along side of Jason Hoffman #07. Reents jumped out to an early lead but had his hands full trying to fight off Hoffman and Shawn Olson #32. As the laps went by, three guys from the middle of the pack picked off their rivals one by one until Chris Mensen #53, Dustin Bitzan #10B and Travis Saurer #21x made it to the front with Mensen holding off the other two until a late caution and on the restart, Mensen was called for a brake-check and was given a two car penalty. A brake-check is when the leader taps his brake before the start of a race to throw off the other drivers. There was some controversy to the call as many fans and even other drivers did not think there was reason for the penalty. When Saurer was given the pole, he did not look back and he held off Bitzan and Mensen for his third Midwest Modified Feature Win of the year.

The heat race winners were Chris Mensen, Shawn Olson, and Ron Saurer.

The Super Stocks roared on to the track with a healthy field of fifteen cars and the two guys who started out front stayed there. Cody Lee #50 started on the pole and finished in first as Matt Miller #13M did the same, starting and finishing second. There was plenty of excitement though as almost every lap featured three-wide racing with great battles between Miller, Jeff Crouse #29, Larry Lund #54, and

Jon Stepan #3s. But in the end, Lee ran a smooth race and took home his first feature win of the season.

The Super Stock heat race winners were Jon Stepan and Matt Miller.

The Modified race also started fifteen cars but the pack definitely shuffled as a crash in turn 1-2 took out the pole sitter Terry Engebretson #1x and (continued on page 3)

the race winner came from the fifth spot as Cody Skytland #19S from West Fargo, ND took home the feature win. Danny Bayer #36 was a close second and Brett Hoium #5H rounded out the top three.

The Modified Heat race winners were Jason Thoennes #52 and Curt Lund #87.

Don Shaw #42S lead the field of Late Models from the pole position to the checkered flag as Jeff Wildung #50 and Zach Johnson #73 battled for second with Wildung coming out ahead of Johnson and fourth place finisher Cody Skytland #11S who had skipped his Victory Lane appearance in the Modified to jump into his Late Model. The Late Model Feature was smooth and without caution.

The Late Model Heat Race Winner was Zach Johnson.

## Rain halts the show prior to running any features

WESTPORT, MN (June 10th)  
By Scott Searcy

The Minnewaska go-kart track saw some great racing but it was cut short just after the first round of heat races due to rain.

**Brooke Fetterer #9** scored the feature win in the Jr. 2 Flathead Division on June 3rd. **Casey Call #56** and **Riley Akervick #18** rounded out the top three.

**Brandon Dolman #24** leads the rest of the pack on his way to a Cageless Flathead Feature win on June 3rd.

## MINOR LEAGUE REPORT

Cricket Prints 2012

**Riley Akervick #18** slides high on turn four. Akervick was very fast and could have gotten the win but his cart was loose and he was unable to hold the bottom groove. Akervick finished third in the main event.

Next Race Wednesday June 20<sup>TH</sup>, Pits open at 5:00 and racing starts at 7:00!

Makeup for the remaining heats and features from June 10 will be on Sunday June 24<sup>TH</sup>, pits open at 12:30 and racing starts at 2:00

**Kaylee Nieland #52** gets a little help changing a flat tire after she was involved in a crash that pushed her frame into her tire. The frame was cut with a sawzall and she got back on the track just seconds before her pit time expired. Nieland finished 7th in the event.
